Heart Healthy Initiative

Heart disease is the No. 1 killer of women. Because heart disease can be prevented, the American Heart Association's Go Red For Women and our latest bilingual initiative, Go Red Por Tu Corazon, urge women to Make it Their Mission to reduce their personal risk. To take the Go Red Heart CheckUp and receive a 10-year risk assessment and personalized action plan, visit GoRedForWomen.org or call 1-888-MY-HEART.
