"God, make the doors of the house we have raised to Thee wide enough to receive all who need human love and Fatherly care; and narrow enough to shut out all envy and vain pride; make the threshold smooth to be no stumbling block to childhood or older wayward feet, but rugged and strong enough to turn back the tempter's power. God make the doors of this house to many souls the gateway to Thy Eternal Kingdom."

Invitation

We extend a cordial welcome to all visitors in our service today, and hope that you will worship with us often. On entering this sanctuary sit in quietness or bow reverently, asking God to bless you, those who minister here and all others who have come to this Holy House of Worship.

Heart Healthy Initiative

Eat healthy every day. Emphasize vegetables, fruit, whole-grain/high-fiber foods and low-fat dairy products, lean meat and poultry. And eat fish at least twice a week. Keep consumption of soft drinks with added sugars to under 450 calories a week. A heart-healthy diet can help lower high blood pressure, high cholesterol and other risk factors for heart disease.
